

Supplemental Popcorn Sale

BOY SCOUTS OF AMERICA

**40%
Commission**

A hurricane, blizzard and power outage!

The weather wasn't exactly optimal for popcorn selling this past fall. We wanted to offer some options for those of you who were disappointed in your sale, have some new recruits who would like to sell, or just would like to earn more money for your Scouts.

Anyone who would like to sell more popcorn can do so through this supplemental sale. Please note because prizes will not be given for this sale, units will receive a **40% commission**. This portion of the sale begins November 20th and ends December 7th.

How to order

Collect all Scout orders and submit one unit order by logging in to the popcorn system at trailsend.com and choosing the "Holiday" sale. The orders can be picked up at the council office on December 21st and 22nd during normal business hours. If your Scouts need another order form, it can be downloaded at minsitrails.com or picked up at the Council Service Center.

Or sell online

Through the online system, the product does not need to be delivered by you, it will arrive at the residence of the customer, without a need for personal delivery. Please remember that the item lineup is limited, some of the prices are different and a shipping fee will apply. The 40% commission on online orders will only be given between the dates of November 20th and ends December 7th. As with all online sales, the online commissions are entered into your unit account on a quarterly basis.
