

THE  
FRANKLIN  
INSTITUTE

# ATTENTION SCOUT LEADERS!

The Franklin Institute has JUST what you're looking for.

- **Discounted Group Rates for Day Trips and Overnight Adventures**
- **Three Floors of Interactive Exhibits:** Your scouts can walk through *The Giant Heart*, crawl through magma tunnels in our *Changing Earth* exhibit, ride a *Baldwin 60000 locomotive*, set off a giant Tesla coil in our *Electricity* exhibit and MORE!
- **Special Exhibits:** These exhibits are here for a limited time, so be sure not to miss them!
  - **Mummies of the World The Exhibition: June 18–October 23, 2011**  
Real Mummies. Real Science. Real People. Come face to face with the largest exhibition of mummies ever assembled.
  - **CSI: The Experience** is an interactive exhibit related to the hit TV series that invites people to use real science to solve hypothetical crimes in an exciting multi-media environment. It brings to life fundamental scientific principles and the most advanced scientific techniques used today by crime scene investigators and forensic scientists.
- **Unique Theater Presentations** available in the Fels Planetarium, Tuttleman IMAX® Theater and Franklin 3D Theater!
- **LIVE shows** and demonstrations that let your Scouts become part of the action!
- Use our Exhibit Guides during a day or night visit.  
Available at [www.fi.edu/Camp-In/Scouts](http://www.fi.edu/Camp-In/Scouts).

## Attend our Scout Badge Day!

Held twice a year, these days focus on a different topic and include special activities for Scouts. Mark your calendars now!

- **Saturday, December 3, 2011 – Theme: Weather**
- **Saturday, May 5, 2012 – Theme: Astronomy**

- **Our Popular Camp-In Is New This Year! Clash of the Sciences: BIG vs. SMALL:** The Franklin Institute's signature sleep over program, Camp-In is all NEW for the 2011-2012 season! Science comes in all shapes and sizes – from the enormous expanses of the solar system to microscopic strands of DNA. But is bigger really better? Or does small win out in the end? Join us to find out! Don't miss out. Reserve your troop's spot today!
- **Discovery Camp:** Pre-K to 8th grade campers are challenged to take a closer look at the world around them as it relates to science. The discoveries they make will be fun, memorable and enrich their lives.

Themes and details vary, please check our website.
