Venturing Standard Operating Procedures

VENTURING

Standard Operating Procedures

THE MISSION

The mission of the national Venturing cabinet and the region and area Venturing officers' associations is to promote and support the Venturing program, utilizing a standard organizational structure that enables local councils to grow membership by advancing leadership opportunities through communication, program, and administration.

Changes for 2012–2013

After the edits of 2011, a few issues arose that required additional clarification or more instruction. After a review by the National Venturing Youth Cabinet, several changes have been made to help improve the way that Venturing is administered per the Venturing Standard Operating Procedures.

The changes are:

- ◆ The definition of *merit* has been clarified.
- ◆ Giving the opportunity for equal representation within the selection panel.

The new wording will be:

- ◆ Merit
 - ◆ The Key 3 of each tier may choose to eliminate candidates for the presidency of their tier if they deem that the pool of candidates is too large to effectively conduct the selection process. The Key 3 shall select a process to determine who the most qualified and competitive candidates are based upon the job description within this SOP and present those candidates to the complete selection panel. If practical, each eliminated candidate should receive a personal interview, but this is not required. The preferred pool size is four, but the Key 3 may choose to present a different size pool of no fewer than two.
- ◆ Equal Representation
 - ◆ If a member of a presidency selection panel is for any reason unable to participate in the selection process, then the volunteer and professional advisors of the represented lower tier may appoint another Venturer from that tier to serve as a replacement selection panelist.

Venturing Standard Operating Procedures

A frequently asked questions document has been published to help clarify any outstanding questions within the Venturing Standard Operating Procedures. This document is available at www.scouting.org/venturing.

It is recommended that you read through the entire Venturing Standard Operating Procedures to gain a clear understanding of its contents.

Venturing Leadership Beyond the Crew

This document contains the prescribed organizational schemes for the administration of a Venturing leadership structure for the National Council of the Boy Scouts of America at the national, region, and area tiers. It also provides recommended models for local councils to adopt. This document provides a minimal set of practices; leadership at all tiers may expand upon this standard operating procedure by creating more specific guidelines.

Leadership for Venturing at the national tier of the Boy Scouts of America consists of a national Venturing cabinet composed of a national Venturing president, national Venturing vice president, and region Venturing presidents, supported by a national Venturing advisor, national Venturing associate advisor, and national staff advisor and region Venturing advisors and staff advisors. The national Venturing cabinet reports to the national Youth Development Committee.

Leadership for Venturing at the region and area tiers shall consist of a Venturing officers' association (VOA) composed of required and optional youth and adult positions described within this document. Each VOA shall report to the Youth Development committee at its tier.

This document contains:

- ◆ Methods to select youth officers and appoint adult advisors to VOAs
- ◆ A timetable for the selection and appointment of officers and advisors
- ◆ Position descriptions
- ◆ Model organizational charts for a standard VOA
- ◆ A short glossary for reference and clarification of terms

Youth Officer Selections

Applications for youth officer positions are available at www.scouting.org/venturing, and all applicants will require the prior approval of their crew Advisor and local council Scout executive.

Venturing Standard Operating Procedures

The term of office for all national, region, and area youth officers will be June 1 to May 31 each year. It is also recommended that all councils adopt the same term for their Venturing officers' association.

Region VOA presidents and the national Venturing president shall have a single term limit.

All applicants for every youth office must be under age 21 throughout the duration of the term for any office held.

If an applicant is not selected for a position, the application may be passed down to the next tier if the candidate so desires. Each youth not selected for an office should be offered the opportunity to be considered for the next tier down. If the candidate accepts the opportunity, the application should be promptly transferred to the selection panel of that office for consideration.

If no applicant for an office exists at the time of selection, the volunteer advisor and staff advisor for that office may extend the current officer's term.

All youth officer positions shall have an adult advisor to provide support to the youth throughout their term.

A Venturer may hold only one area, region, or national position during their term. It is recommended that a Venturer serve in no more than one crew, district, or council position while holding an area, region, or national position.

Glossary of Terms and Clarification

Ad hoc: Ad hoc groups and positions are formed for the purpose of completing a specific task, and the group or position dissolves at the conclusion of the task. An ad hoc position might exist for a very short time, or for a period that overlaps multiple terms of office. When a new Venturing president assumes office, they may confirm or replace ad hoc leaders.

Commensurate advisor: Each youth position has a corresponding adult Advisor to support that youth in fulfilling the required tasks.

Delegation of authority: The authority to appoint youth and adult positions lies with the officials designated within this document. However, that official may delegate the authority to appoint to a subsidiary. For example, a region president (note: not the region Venturing president) may ask the region Youth Development committee chair to appoint the region Venturing volunteer advisor.

District: Local councils of sufficient size are divided into geographical (or occasionally special-purpose administrative) territories. Frequently Venturing membership within a district may not constitute an appropriate number of participants to fulfill the functions of a VOA. Councils are free to substitute with “sector” or “service area” as desired.

Key 3: The Venturing president, Volunteer Advisor, and staff advisor form a tier.

Liaison: A youth officer who represents a special-interest group of significance to Venturing within the territory that the VOA serves. Liaisons should be drawn from existing organizations whenever possible (e.g., Sea Scout boatswains, council relationships committees, Girl Scouts of the USA, etc.), but are appointed to the VOA by the VOA leadership.

National cabinet: The national Venturing cabinet consists of the national Venturing president, national Venturing vice president, and the four region

Venturing Standard Operating Procedures

Venturing presidents. The cabinet is supported by various Advisors. The cabinet exists at the national tier only; all other structures are called VOAs.

President, chair: Occasionally, this document refers to offices that are not Venturing offices, such as the president of a region or chair of a district. Venturing officers are always youth members and generally bear the word “Venturing” in their title in this document (except in the position profiles section, when all offices refer to Venturing positions unless otherwise stated); other officers mentioned herein are always adults.

Representation: Leaders may designate a subsidiary to represent them in functions. For example, a council Venturing president may ask a subsidiary to represent the council to the area VOA or help select the area Venturing president.

Subsidiary positions: Supporting positions within the VOA’s organizational structure may be appointed by the respective youth Venturing president as needed for the specific group they are serving. Subsidiary positions can be standing (permanent) positions.

Tiers: The tiers used in this document are, in order: national, region, area, council, district, and crew. “Above” refers to tiers that appear earlier in this list, “below” to tiers that appear later.

Venture: A program within the Boy Scouts of America for older youth who are registered in a Boy Scout troop and who are part of a Venture patrol. Venture patrols are separate from the Venturing program. It is not appropriate for youth officers and advisors to use the term “Venture” when referring to the Venturing program. The terms “Venture crew” and “Venture Scout” are not the correct terms to use in the Venturing program.

Venturer: A registered youth member of a Venturing crew. The word “Venturer” should be used only as a noun referring to a youth member. Use “Venturing” when a modifier is needed. The forms: “One Venturer built a kayak.” “One member of the Venturing crew built a kayak.” Venturing is different from the Boy Scout Venture program.

Venturing: The youth adult program of the Boy Scouts of America for young men and women age 14 (or 13 and have completed the 8th grade) through 20.

Venturing Standard Operating Procedures

Venturing is both a noun and a modifier. The forms: “Venturing is a program for young adults.” “Young women and men take part in Venturing activities.” “Good Venturing Advisors are crucial to successful Venturing crews.” Venturing is different from the Boy Scout Venture program.

Venturing officers’ association (VOA): A group of youth officers on a district, council, area, or region tier that promotes membership, resource sharing, and events for Venturing in their territory.

Volunteer vs. staff: “Staff” refers to a professional Scouter employed by the Boy Scouts of America. A volunteer is someone who does not receive compensation for service to the BSA and who is a registered member of the BSA. Within this document, staff advisors are always specified; if the word “advisor” appears alone, assume that it designates the volunteer advisor. Usually “the advisor” denotes the top volunteer advisor in a group, but “an advisor” might denote the top advisor, an associate advisor, or a subsidiary advisor. “His advisor” or “her advisor” always denotes the commensurate advisor to that position.
