What is a VOA?

The Venturing Officers Association is a youth-run organization with elected or appointed officers. The purpose of the VOA is to provide a forum for Venturing crews at the council level, model effective crew operations, provide a resource for youth and adults interested in learning about Venturing, promote councilwide Venturing activities and opportunities, assist with Venturing training, provide recruitment ideas, and develop new Venturing programs and activities.

Who completes the Council Standards of Venturing Excellence Award form and when?

The council Venturing Officers Association or VOA president, council Venturing volunteer Advisor, and Scout executive must complete and submit the form no later than February 15 of the following year. For example, the 2015 form should be submitted no later than Feb. 15, 2016.

When will councils earn the award?

When all of the requirements are completed, a council will be eligible to earn the award. The Council Standards of Venturing Excellence Award is determined based on successfully achieving the 2015 criteria between Jan. 1, 2015, and Dec. 31, 2015.

How will councils be recognized, and when will the recognition items be available?

Recognition consists of a certificate presented at the BSA's National Annual Meeting and a mention on www.scouting.org/venturing.

Where is Powder Horn and Wood Badge participation recorded?

Contact your council or area training chair. They have records that include the adults who may have completed the courses. Youth ages 18 and over can be participants in these courses.

Where are the Venturing awards and recognitions recorded?

Check with your council's advancement committee and/or registrar to determine year-to-year comparisons. Encourage all of your crews and ships to record their awards and recognitions with the council promptly so accurate tracking is possible.
